Facts Are Facts

When it comes to replenishing our stock we find very often that we are retailing
goods at lower prices than we can buy them from the manufacturers. We are won-
dering if our customers are really appreciative of this fact.

Right now you can buy hosiery, gloves, handkerchiefs, underwear, laces, embroid-
ery, neck wear, dress goods, rugs, etc., at prices that are really low. It's up to you to
take advantage of the situation.

War has been declared on LADIES' TAILORED SUITS. Now is the
time to take your pick at greatly reduced prices.
